Sirs
Whilst the published material is very lacking in detail I object to the former St Gregory's School building which is current let to cafe restaurant operator being included. It produces valuable income for the Catholic Church. I question why this should be used for more Shakespeare activities. Henley Street already accommodates many SPT facilities. This site does not adjoin their visitor attractions buildings. Surely it would be better to either incorporate buildings next to the Centre or look elsewhere in the town.

I hope that the present plans can be shelved and a better solutions found.

Yours sincerely
