

## Petition to Stratford on Avon District Council

We, the undersigned, object to the Stratford Gateway SPD and in particular, to the demolition of the old Catholic Primary School building (currently Boston Tea Party), Henley Street, Stratford upon Avon. The building is an excellent example of an early Victorian School House and frames the entrance to this part of the Conservation Area and one of the most important streets in the town, contributing significantly to the character of the area. It's replacement, with a car park, would detract from the setting of the Conservation Area and the many Listed Buildings on Henley Street including Shakespeare's Birthplace.
