Subject: Demolition of Old St Gregory's School

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Sir,
I must protest in the strongest terms about the proposed demolition of the old St Gregory's School on Henley street. This is another illustration of the appalling decisions made over time in Stratford to demolish historic buildings and replace them with worse or non existent buildings. Please do not proceed.

The Stratford Gateway plan proposes the demolition of our property in Henley St (now BTP) which would be a disaster. Apart from being a beautiful building and integral part of the townscape it is part of our catholic heritage and an important source of parish income, Please protest to the planning office asap as suggested below. We only have till 1st December to object.
