

2007 - 2008

recycling service

calendar for black boxes and green bins

Collections of recycling materials in black boxes and green bins for residents in the towns and villages listed opposite will be on the same day as the weekly rubbish collections, but only in the black shaded weeks. All other towns and villages will have their recycling boxes collected in the white shaded weeks. Collections at Bank Holidays will be as the revised collection arrangements published by the Council, details of which are also printed on the black plastic sacks.

Your box and/or bin should be placed at the boundary of your property by 6.00am on the day of collection where it will be readily visible to the collectors. Please ensure you only put small amounts of heavy material in your green bins. This is for health and safety reasons. If your green bin is too heavy it will not be collected and you will be requested to reduce the weight for the next scheduled collection date. If you have any additional garden waste it should be placed

for collection next to your green bin in green sacks, which should be left untied so that the operatives can check it is green waste and not any other rubbish that would contaminate the composting system. We cannot guarantee to return green sacks.

If your Black Box or Green Bin is missed or you have any queries about the service, please telephone Streetscene on 01789 260616 or e-mail streetscene@stratford-dc.gov.uk
