Background to scan!

scan!, the Senior Citizen's Action Network, is part of the Government's Better Government for Older People policy.

This initiative, run by older people for older people, aims to improve services and policies for older people by working with them and listening to their views. scan! promotes equality, opportunity of access and life long learning.

Within Stratford-on-Avon District six forums have been set up to address local issues and actively campaign for older people. These groups meet in Alcester, Bidford-on-Avon, Henley-in-Arden, Shipston-on-Stour, Southam and Stratford-upon-Avon.
