

33 Which of the options is the most appropriate for locating employment development or do you prefer a different option?

Option 1 Option 2 Option 3 Option 4 Option 5 Option 6

Another Option please describe _____

Please give the reasons for your choice:

34 Should the current extent of the Green Belt be retained? (see page 17) YES NO

If NO, in what ways should its boundary be changed and for what purpose?

35 Are there any other matters that should be covered in the assessment of options? YES NO

36 Would you like to be informed of future stages in the process? YES NO

Please send your completed questionnaire by **FRIDAY 22 JUNE** to:

Planning Services
Stratford-on-Avon District Council
Elizabeth House
Church Street
Stratford-upon-Avon
Warwickshire CV37 6HX

Or, if downloaded, it can be emailed to planning@stratford-dc.gov.uk

If you would like to discuss any aspect of the document, or the Local Development Framework generally, please ring the Planning Policy Team on **01789 260337**.

Thank you for taking part

Stratford-on-Avon District Local Development Framework Core Strategy - Issues and Options

QUESTIONNAIRE

We hope you will find time to read the Issues & Options document before answering the questions. It can be viewed on the District Council's website www.stratford.gov.uk (there is a link to the Core Strategy on the homepage) or you can request a copy by ringing 01789 260337.

Please don't feel obliged to answer all the questions - only those you have a view on.

NAME (optional): _____

ADDRESS (optional): _____

PHONE No (optional): _____

E-MAIL ADDRESS (optional): _____

It would be helpful if you would tick one of the following boxes to indicate in what capacity you are responding:

Resident of the District

Business in the District

Parish/Town Council

Developer/Agent

Landowner

Organisation

Service/utility provider

Other (please describe)

OVERALL APPROACH

1. Is the appropriate emphasis given between the Environmental, Social and Economic themes in the Issues & Options document? YES NO
If NO, in what ways should this be changed?

2. Have the right issues been identified in the Issues & Options document? YES NO
If NO, which issue(s) should be added or removed?

3. Do you think the relationships between the various issues (as shown on the chart at the back of the document), have been identified accurately? YES NO
If NO, how do you think the chart should be changed?

4. Are the objectives of the District Local Plan Review (as shown on page 5/6) still valid? YES NO
If NO, can you suggest alternative objectives which should be included?

KEY ISSUES

CARBON EMISSIONS (see page 6/7)

5. Should new development be designed to produce significantly lower carbon emissions than at present? YES NO
If YES, what would be the most effective ways of achieving this?

If NO, what is the justification for not doing so?

LIFELONG LEARNING AND SKILLS (see page 14/15)

29. Do you think it is important to improve facilities for education and training in the District? YES NO
If YES, are there particular ways in which this should be done?

OPTIONS FOR DEVELOPMENT

SCALE OF HOUSING DEVELOPMENT (see page 16)

30. Which of the options for the scale of housing development do you support or do you favour a different option?
Low Option Medium Option High Option Another Option

please describe _____

Please give the reasons for your preference:

SCALE OF EMPLOYMENT DEVELOPMENT (see page 17)

31. Which of the options for the scale of employment development do you support or do you favour a different option?
Low Option Medium Option High Option Another Option

please describe _____

Please give the reasons for your preference:

LOCATION OF DEVELOPMENT (see page 17)

32. Which of the options is the most appropriate for locating housing development or do you prefer a different option?
Option 1 Option 2 Option 3 Option 4 Option 5 Option 6

Another Option please describe _____

Please give the reasons for your choice:

23 Should most new economic development take place in Stratford-upon-Avon and the larger rural settlements in the District? YES NO
If NO, where should it take place instead?

RETAIL AND COMMERCE (see page 13/14)

24 Should scope be provided for more retail floorspace within Stratford-upon-Avon town centre? YES NO
If YES, what form should it take and where should it take place?

25 Is there a specific need in any of the larger rural centres in the District for further retail development? YES NO
If YES, in which centre(s) is this important and what form should it take?

26 Are further measures required to support the function of the District's town and rural centres? YES NO
If YES, in which centre(s) are these required and what form should they take?

TOURISM (see page 14)

27 Is it appropriate to provide further tourist attractions in Stratford-upon-Avon town? YES NO
If YES, what types of attractions are suitable?

28 Should we encourage a wider range of tourist attractions in the rural settlements and countryside? YES NO
If YES, what types of attractions are suitable?

6 Do you support increasing the production of energy from renewable sources? YES NO
If YES, are there specific ways in which this should be achieved in this District or circumstances where it would not be appropriate?

If NO, what is the justification for not doing so?

FLOOD RISK (see pages 7)

7 Is it essential that the location of development is determined by the need to minimise flood risk? YES NO
If NO, in what ways should development be designed to reduce the risk of flooding?

BIODIVERSITY (see pages 7/8)

8 Should more attention be given to protecting and enhancing habitats? YES NO
If YES, what proactive measures should be taken to improve the situation?

HERITAGE (see page 8)

9 Is it important to protect all historic buildings and archaeological remains? YES NO
If NO, in what circumstances would it be acceptable not to do so?

DESIGN AND DISTINCTIVENESS (see page 8/9)

10 Do you think new development should reflect the character of the local area? YES NO
If YES, how can this be achieved while also including energy conservation and public safety measures?

If NO, in what circumstances would it not be necessary to do so?

LANDSCAPE AND COUNTRYSIDE (see page 9)

11 Is it appropriate to allow development to take place in the countryside? YES NO
If YES, what forms of development should be allowed?

HOUSING NEEDS (see page 10)

12 Should we allow for higher rates of development than those set out in the RSS consultation in order to meet local housing needs? YES NO
If NO, how can we ensure that the housing provided is effectively targeted to meeting local needs, especially affordable housing?

13 Should we be more prescriptive in seeking to control the mix of housing on sites in terms of the type and size of accommodation? YES NO
If YES, how do you think this could be achieved?

14 Should we promote housing to meet the specific needs of older people? YES NO
If YES, how do you think this could be achieved?

15 Is there a need to provide more sites for gypsies and travellers in the District? YES NO
If YES, what evidence do you have regarding the nature of further accommodation that should be provided?

LOCAL SERVICES (see page 10/11)

16 Do you think local services should be retained and improved wherever possible? YES NO
If YES, which local services are particularly important and what can be done to help support them?

TRANSPORT AND ACCESSIBILITY (see page 11)

17 Should more investment be made in improving the road network in the District? YES NO
If YES, what specific improvements are needed and what would they achieve?

18 Should improvements be made to public transport services? YES NO
If YES what specific improvements do you think are needed to rail services and what improvements should be made to bus services?

PUBLIC CONFIDENCE AND SAFETY (see page 11/12)

19 Do you think more could be done through the planning system to improve public safety? YES NO
If YES, what measures do you think could be taken and in which areas of the District are they needed?

LEISURE AND CULTURE (see page 12)

20 Is it important to improve leisure and cultural facilities in the District? YES NO
If YES, are there specific schemes you would like to see being implemented?

DIVERSIFICATION (see page 13)

21 Does the District's economy need to diversify? YES NO
If YES, what particular types of businesses and jobs should be encouraged?

INVESTMENT (see page 13)

22 Do you think a large number of new jobs should be provided in the District? YES NO
If YES, what particular types of jobs should be attracted?
