

Has your business been hit by the recent summer floods?

If you have answered yes...

...then you can receive a support package provided by Business Link West Midlands aimed specifically for those businesses affected by the impact of the recent floods.

Who is the support for?

Businesses directly affected by the floods in the West Midlands region.

What kind of support can I get for my business?

We can provide at no cost to you up to five days of practical and impartial support and advice from business advisers who have the expertise and knowledge to help your business. You will receive assistance on developing a recovery plan which...

- Looks at what immediate action is needed to resume trading
- Having recovered, plans how to stabilise the business in the medium term
- Helps you to plan for the long term success and growth of the business

In addition companies may be eligible for up to £2500 of support to put the plan into action.
