30.7 During the 12 months preceding the Contract expiry date or at any other time after the Council has given notice to terminate the Contract the Supplier shall not and shall use reasonable endeavours to procure that any sub-contractor shall not materially amend or promise to amend the rates of remuneration of or hours to be worked by or otherwise materially vary the Supplier's employees terms and conditions (including such terms and conditions which apply to entitlement of membership of, contributions to, or pension accrual under, any statutory, occupational or personal pension scheme) of any of the Supplier's employees who are or will be engaged wholly or partially in providing the Services or materially increase the number of employees performing the Services and/or recruit any of the Supplier's employees for employment in connection with, or assign any additional employee to, the provision of the Services under the Contract; without the prior written agreement of the Council, not to be unreasonably withheld or delayed.
