## Neighbourhood Area Application

This is a formal application from the Neighbourhood Planning Committee of the Long Compton Parish Council to Stratford on Avon District Council to have our Parish formally designated as a Neighbourhood Plan Area, under Part 2, Regulation 5 of the Neighbourhood Planning (General) Regulations 2012.

The application comprises the following information to comply with the requirement of the Regulation 5.

- a. A map which identifies the area to which the area application relates
  - b. A statement explaining why this area is considered appropriate to be designated as a neighbourhood area; and
  - c. A statement that the organisation or body making the area application is a relevant body for the purposes of section 61G of the Town and Country Planning Act 1990 (as amended)
- a. Neighbourhood Area Map
  - b. We consider our Parish Boundary to be suitable and ideal as it encompasses all of Long Compton and some isolated residences to which a Neighbourhood Plan would be important.
  - c. Under Section 61G (2) of the Town and Country Act 1990, a relevant body is defined as a parish council or an organization or body which is, or is capable of being designated as a neighbourhood forum.

Long Compton Parish Council is submitting the application for a designation of a neighbourhood area and therefore it is relevant body for these purposes and authorised under section 61G(2a).
