Dear Mr Neal

WOOTTEN WAWEN NEIGHBOURHOOD PLAN SEA/HRA CONSULTATION

Thank you for the above consultation.

For the purposes of consultations on SEA, Historic England confines its advice to the question, "Is the Plan or proposal likely to have a significant effect on the environment?" in respect of our area of concern, cultural heritage. Our comments are based on the information supplied by the LPA in their consultation to us.

On the basis of the information supplied, including that set out in the draft plan, and in the context of the criteria set out in Schedule 1 of the Environmental Assessment Regulations [Annex II of 'SEA' Directive], Historic England concur with the Council that the preparation of a Strategic Environmental Assessment is not required.

The views of the other statutory consultation bodies should be taken into account before the overall decision on the need for a SEA is made. If a decision is made to undertake a SEA, please note that Historic England has published guidance on Sustainability Appraisal / Strategic Environmental Assessment and the Historic Environment that is relevant to both local and neighbourhood planning and available at: <http://www.english-heritage.org.uk/publications/strategic-environ-assessment-sustainability-appraisal-historic-environment/>.

As regards the HRA Assessment English Heritage does not wish to comment in detail and would defer to Natural England and other statutory consultees.

Yours sincerely,

Thank you for your consultation on the above dated 19/04/2016.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Strategic Environmental Assessment – Screening

We welcome the production of this SEA Screening report. Natural England notes and concurs with the screening outcome i.e. that no further SEA is required with regard to Natural England's remit.

Further guidance on deciding whether the proposals are likely to have significant environmental effects and the requirements for consulting Natural England on SEA are set out in the [National Planning Practice Guidance](#).
