**Executive Director**

Dear Mrs Chapman,

**WOOTTON WAWEN NEIGHBOURHOOD DEVELOPMENT PLAN  
SCREENING FOR STRATEGIC ENVIRONMENTAL ASSESSMENT (SEA)**

In accordance with the European Directive 2001/42/EC and associated Environmental Assessment of Plans and Programmes Regulations 2004 (SEA Regulations), Stratford-on-Avon District Council prepared a SEA Screening Document on behalf of the Wootton Wawen NDP Steering Group in April 2016 to determine whether the Wootton Wawen Neighbourhood Development Plan (WWNDP) should be subject to a Strategic Environmental Assessment (SEA).

The Screening Document explored the potential effects of the proposed WWNDP and concluded that on the basis of the SEA Screening Assessment, the WWNDP would not result in significant environmental effects in relation to criteria set out in the SEA Regulations or the Habitats and Species Regulations.

This screening document was subsequently submitted to the statutory environmental bodies of Historic England, Environment Agency and Natural England for comment, in accordance with the SEA Regulations. All three agencies have replied to the consultation, all agreeing that significant environmental effects are not likely to arise as a result of the WWNDP and that the preparation of a SEA is unlikely.

Following receipt of the responses from the statutory consultees confirming agreement with the conclusion of SDC's SEA screening report, I write to inform you that Stratford-on-Avon District Council determine that a Strategic Environmental Assessment (SEA) is not required in respect of the WWNDP.

I hope this is sufficient for your records. However, should you have any queries please do not hesitate to contact Matthew Neal, whose details are at the top of this letter.

Yours sincerely
