

# **SCHEME FOR PETITIONS**

## 1. **Petitions**

- 1.1 The Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. All petitions sent or presented to the Council will receive an acknowledgement within ten working days of receipt. This acknowledgement will set out what we plan to do with the petition. We will treat something as a petition if it is identified as being a petition or if it seems to us that it is intended to be a petition.
- 1.2 Anyone who lives/is a home owner/is a business owner/works/studies in the District, including under 18s, can sign or organise a petition and trigger a response;
- 1.3 Paper petitions can be sent to:

Head of Paid Service  
Stratford-on-Avon District Council  
Elizabeth House  
Church Street  
Stratford-upon-Avon  
CV37 9HX

or be created, signed and submitted online by following the link  
[Petitions | Stratford-on-Avon District Council](#)

- 1.4 Petitions can also be presented to a meeting of the Council and dates and times can be found on the Council's website  
[Monthly meetings calendar | Stratford-on-Avon District Council](#). If you would like to present your petition to the Council, or would like your Councillor or someone else to present it on your behalf, please contact Democratic Services on 01789 260245 at least ten working days before the meeting and they will talk you through the process. If your petition has received [**1,000**] signatures or more it will also be scheduled for a Council debate and if this is the case we will let you know whether this will happen at the same meeting or a later meeting of the Council.

## 2. **What are the guidelines for submitting a petition?**

- 2.1 Petitions submitted to the Council must include:
- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take; and
  - the name and address and signature of any person supporting the petition. These must be persons who live/are home owner/a business owner/works/studies in the District (see 1.2)
- 2.2 Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will not be placed on the website. If the petition does not identify a petition organiser, we will contact signatories to the petition to agree who should act as the petition organiser.

- 2.3 Petitions which are considered to be vexatious, abusive or otherwise inappropriate<sup>1</sup> will not be accepted<sup>2</sup>.

In the period immediately before an election or referendum, we may need to deal with your petition differently – if this is the case, we will explain the reasons and discuss the revised timescale which will apply. [During election times<sup>3</sup>, the Council’s Chief Executive reserves the right to delay consideration of any petitions relating to matters of political sensitivity.]

- 2.4 If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

### **3. What will the Council do when it receives my petition?**

- 3.1 An acknowledgement will be sent to the petition organiser within ten working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.

- 3.2 If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a Council debate, or a Senior Officer giving evidence, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, we will tell you the steps we plan to take.

- 3.3 We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition.

- 3.4 To ensure that people know what we are doing in response to the petitions we receive, the details of all the petitions submitted to us will be published on our website, except in cases where this would be inappropriate.

### **4. How will the Council respond to petitions?**

- 4.1 Our response will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested
- considering the petition at a Council [/The Cabinet] meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by the Council’s Overview and Scrutiny Committee<sup>4</sup>
- calling a referendum

---

<sup>1</sup> [See 4.5 below for exclusions to the petition scheme]

<sup>2</sup> [This will be a judgement for the Council’s Chief Executive]

<sup>3</sup> [This is known as the ‘purdah’ period, which starts from the Notice of the Elections and ends following the day of the Election].

<sup>4</sup> [Overview and Scrutiny Committee is a committee of Councillors who are responsible for scrutinising the work of the Council – in other words, the Overview and Scrutiny Committee has the power to hold the Council’s decision makers to account].

- writing to the petition organiser setting out our views about the request.
- 4.2 In addition to these steps, the Council will consider all the specific actions it can potentially take on the issues highlighted.
- 4.3 If your petition is about something over which the Council has no direct control (for example the local railway or hospital), we will consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners and, where possible, will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then we will set out the reasons for this to you. You can find more information on the services for which the Council is responsible here [Management Team Structure | Stratford-on-Avon District Council](#)
- 4.4 If your petition is about something for which a different Council is responsible, we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event we will always notify you of the action we have taken.
- 4.5 Petitions cannot be considered in any of the following cases, where there is already an existing mechanism in place:
- matters relating to a planning decision, including about a development plan document or the community infrastructure levy;
  - matters relating to an alcohol, gambling or sex establishment licensing decision;
  - where any individual already has a right of appeal in law, such as Council tax banding and non-domestic rates, other procedures apply;
  - legal proceedings or matters involving confidential legal or commercial advice; and,
  - where it is a statutory petition (for example requesting a referendum on having an elected mayor).

## **5. Full Council debates**

- 5.1 If a petition contains more than [1,000] signatures, it will be debated by full Council unless it is a petition asking for a Senior Council Officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all Councillors can attend. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by Councillors for a maximum of 15 minutes. The Council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example, by a relevant Committee. Where the issue is one on which the Council's Cabinet is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The petition organiser will receive confirmation of this decision.

## **6. Officer evidence**

- 6.1 Your petition may ask for a Senior Council Officer to give evidence at a public meeting about something for which the Officer is responsible as part of their job. For example, your petition may ask a Senior Council Officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.
- 6.2 If your petition contains at least [500] signatures, the relevant Senior Officer<sup>5</sup> will give evidence at a public meeting of the Council's Overview and Scrutiny Committee. A list of the senior staff that can be called to give evidence can be found here [Management Team Structure | Stratford-on-Avon District Council](#)

You should be aware that the Overview and Scrutiny Committee may decide that it would be more appropriate for another Officer to give evidence instead of any Officer named in the petition – for instance if the named Officer has changed jobs. The Committee may also decide to call the relevant Councillor to attend the meeting. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the Chairman of the Committee by contacting Democratic Services up to three working days before the meeting.

## **7. E-petitions**

- 7.1 The Council welcomes e-petitions which are created and submitted through our website [Current ePetitions | Stratford-on-Avon District Council](#). The petition organiser will need to provide us with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for six months, but you can choose a shorter or longer timeframe, up to a maximum of twelve months.
- 7.2 When you create an e-petition, it may take five working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature.
- 7.3 If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within ten working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.
- 7.4 When an e-petition has closed for signature, it will automatically be submitted to Democratic Services. In the same way as a paper petition, you will receive an acknowledgement within ten working days. If you would like to present your e-petition to a meeting of the Council, please contact Democratic Services within ten working days of receipt of the acknowledgement.

## **8. How do I 'sign' an e-petition?**

- 8.1 You can see all the e-petitions currently available for signature here [Current ePetitions | Stratford-on-Avon District Council](#)
- 8.2 When you sign an e-petition you will be asked to provide your name, your postcode and a valid email address. When you have submitted this information

---

<sup>5</sup> This includes the Council's Chief Executive, Deputy Chief Executive, Heads of Service and the Monitoring Officer.

you will be sent an email to the email address you have provided. This email will include a link which you must click on in order to confirm the email address is valid. Once this step is complete your 'signature' will be added to the petition. People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

**9. What can I do if I feel my petition has not been dealt with properly?**

- 9.1 If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Council's Overview and Scrutiny Committee review the steps that the Council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review, if the petition organiser gives a short explanation of the reasons why the Council's response is not considered to be adequate.
- 9.2 The Committee will endeavour to consider your request at its next meeting, although, on some occasions, this may not be possible and consideration will take place at the following meeting. Should the Committee determine we have not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to The Cabinet and arranging for the matter to be considered at a meeting of the full Council.
- 9.3 Once the appeal has been considered, the petition organiser will be informed of the results within five working days.
