Dear Mr Evans

**ETTINGTON AND FULREADY NEIGHBOURHOOD PLAN- SEA SCREENING**

Thank you for your consultation and the invitation to comment on the SEA Screening Document for the above Neighbourhood Plan.

For the purposes of consultations on SEA Screening Opinions, Historic England confines its advice to the question, "Is it likely to have a significant effect on the environment?" in respect of our area of concern, cultural heritage.

Our comments are based on the information supplied with the screening request. On the basis of the information supplied and in the context of the criteria set out in Schedule 1 of the Environmental Assessment Regulations [Annex II of the 'SEA' Directive], Historic England concurs with your view that the preparation of a Strategic Environmental Assessment is not required.

The views of the other statutory consultation bodies should be taken into account before the overall decision on the need for a SEA is made. If a decision is made to undertake a SEA, please note that English Heritage has published guidance on Sustainability Appraisal / Strategic Environmental Assessment and the Historic Environment that is relevant to both local and neighbourhood planning and available at: <https://historicengland.org.uk/images-books/publications/strategic-environmental-assessment-sustainability-appraisal-historic-environment/>

I trust the above comments will be of help in taking forward the Neighbourhood Plan.

Yours sincerely,

Peter Boland
