Dear Ms Cox ,

Planning consultation: Harbury Neighbourhood Plan SEA Screening Report

Thank you for your consultation on the above dated 20/09/2016.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Strategic Environmental Assessment – Screening

We welcome the production of this SEA Screening report. Natural England notes and concurs with the screening outcome i.e. that no further SEA is required with regard to Natural England's remit.

Further guidance on deciding whether the proposals are likely to have significant environmental effects and the requirements for consulting Natural England on SEA are set out in the [National Planning Practice Guidance](#).
