Former Compton Building works''

Outline planning application for change of use to residential use, with means of site access and associated works.

Area of Original Development:

- 0.38 hectares

Area of Change:

- Not applicable

Area of Proposed Development:

- 0.38 hectares

Development Details:

- Conversion of former convent building to provide eleven residential units (Class A), canopy and the addition of 2no. front dormer windows and a rear box dormer, together with the creation of new front and rear elevations, construction of 4 no. houses and 3 no. flats together with creation of new open space, structural landscaping and means of access (All matters reserved).
Demolition of existing buildings and erection of replacement dwelling and associated works, to be served via access from Studley Road and associated development and landscaping including creation of a wildlife garden.

Replacement of existing dormer bungalow and associated works to serve The Rookery. Erection of detached two storey dwelling with associated site landscaping including the creation of a wildlife garden.

Proposed conversion of pool house into 5 no. apartments including ground and first floor extension and two gable dormers. Including demolition of timber link, and erection of porch, oak framed extension and all other ancillary and enabling works, to be served via access from The Rookery.

Variation of condition no. 2 of planning permission reference 15/00621/VARY (Variation of conditions 2, 13 and 23 of planning permission reference 14/00621/FUL). The proposed variation is to raised the height of the proposed dormer above the existing roof to create an additional storey to the proposed dormer, thereby increasing the size of the dormers. In addition, the proposed dormer by the party wall is to be increased in size and not extend beyond the north elevation to maintain the existing relationship with the existing bungalow.

Demolition of existing public house to a single residential dwelling. Demolition of the adjoining bungalow and garage and erection of a new dwelling. Erection of a single storey extension to the rear to create a single dwelling.

Proposed additional dwellings with associated site landscaping including the creation of a wildflower garden.

Variation of condition no. 2 of planning permission reference 12/02712/OUT for the erection of two additional dwellings with associated site landscaping including the creation of a wildflower garden. Ownership of the existing access. Erection of additional dwellings with associated site landscaping including the creation of a wildflower garden.

Reserved Matters Application relating to Phase 3A of outline planning permission reference 12/02712/OUT for the demolition of an existing bungalow and garage to a single dwelling and associated works. Erection of additional dwellings with associated site landscaping including the creation of a wildflower garden.

Change of Use of Farm House and Barn from Offices (B1) to three residential dwellings with associated works, including demolition of timber link, and erection of porch, oak framed extension and all other ancillary and enabling works, to be served via access from Studley Road and associated development and landscaping including the creation of a wildlife garden.

Total of 27 residential apartments (C3 scale) relating to outline planning permission 12/02712/OUT for the erection of additional dwellings with associated site landscaping including the creation of a wildflower garden.

A planning免除 for the duration of six months for residential development: Demolition of existing bungalow and garage and erection of two further dwellings on the site).

Reserved Matters Application relating to Phase 3A of outline planning permission reference 12/02712/OUT for the demolition of an existing bungalow and garage to a single dwelling and associated works. Erection of additional dwellings with associated site landscaping including the creation of a wildflower garden.

Variation of condition no. 2 of planning permission reference 15/00621/VARY (Variation of conditions 2, 13 and 23 of planning permission reference 14/00621/FUL). The proposed variation is to raised the height of the proposed dormer above the existing roof to create an additional storey to the proposed dormer, thereby increasing the size of the dormers. In addition, the proposed dormer by the party wall is to be increased in size and not extend beyond the north elevation to maintain the existing relationship with the existing bungalow.
