1. Introduction

What is a Statement of Community Involvement?

- 1.1 Planning decisions affect land and buildings, so it is important that local communities, businesses and other interested parties have the opportunity to engage in the processes for plan-making and development management decision-making. A Statement of Community Involvement (SCI) identifies how and when they can be involved.
- 1.2 Whilst the SCI primarily sets out how the Council will engage with communities as it prepares Development Plan Documents, it also provides useful guidance to assist neighbourhood planning groups undertake effective consultation.

Status of the Statement of Community Involvement

- 1.3 The preparation of a Statement of Community Involvement is a requirement of the [Planning and Compulsory Purchase Act 2004 \(as amended\)](#). The [Localism Act 2011](#) re-emphasises the importance of enabling communities to contribute towards shaping the places where they live.
- 1.4 This SCI is a Local Development Document and once adopted it will become a statutory part of the Council's Development Plan framework. It will supersede SDC's previously adopted SCI (April 2014).

Plan-making in Stratford-on Avon District

- 1.5 Information about the Council's Development Plan and the documents within it is available in the [Local Development Scheme](#) on the SDC website.
- 1.6 The SCI covers the consultation and engagement process for the following planning documents and applications:
 - Development Plan Documents
 - Supplementary Planning Documents
 - Neighbourhood Plans
 - Community Infrastructure Levy
 - Planning Applications
 - Permission in Principle

Consultation Methods

- 1.9 The Council will engage with interested parties using the following consultation methods as appropriate to the stage of consultation for each plan and the localities it covers.

Online engagement:

- Website, social media and email alerts
- Online questionnaires, comment forms and surveys

Face-to-face engagement:

- Holding events, drop in's, informal meetings
- Visiting established groups if applicable
- Presentation to Community Forums (if timely)

Written notifications:

- Emails and letters to consultees who have requested notification, Planning Application neighbours, SDC Councillors and town/parish councils

Publicising consultations:

- Advertisements, Public Notices and news releases in the local press
- Posters displayed in the locality (Neighbourhood Plans)
- Site notices (planning applications and site allocations)
- Parish and Partners briefings (if timely)

2. Development Plan Documents (DPD)

- 2.1 Development Plan Documents (DPD) (also known as Local Plans) form part of the statutory Development Plan for Stratford-on-Avon District. They set out the principal policies and proposals for land use and development in the borough. Find out more at www.stratford.gov.uk/corestrategy.
- 2.2 Each DPD is accompanied by a Sustainability Appraisal (SA) and/or Strategic Environmental Assessment (SEA) which shows how the policies reflect sustainable development objectives.
- 2.3 Preparing a DPD is not a 'one-off' event and comprises a number of stages, as required by the Regulations¹. Table 1 provides further detail on the opportunities for stakeholder engagement for each of the relevant stages involved in preparing a new DPD.

3. Supplementary Planning Documents (SPD)

- 3.1 Supplementary Planning Documents (SPDs) provide additional guidance and information to support specific Development Plan policies. Find out more at www.stratford.gov.uk/spd.
- 3.2 SPDs may be accompanied by a Sustainability Appraisal (SA) and/or Strategic Environmental Assessment (SEA) which shows how the SPD reflects sustainable development objectives.
- 3.3 Preparing a SPD is not a 'one-off' event and similar to a DPD comprises a number of stages, as required by the Regulations² (although an SPD is not subject to examination as it does not set policy). Table 2 provides further detail on the opportunities for stakeholder engagement for each of the relevant stages involved in preparing a new SPD.

4. Neighbourhood Plans

- 4.1 Neighbourhood planning was introduced by the Localism Act (2011). It is a way for communities to influence the future of the places where they live and work by having more of a say in where new homes, businesses, shops and community facilities should be placed in their local area, along with being able to allocate sites for development.
- 4.2 The [Neighbourhood Planning Act \(2017\)](#) introduced a new requirement for SCIs to set out how the Local Planning Authority will support groups undertaking neighbourhood plans.
- 4.3 Neighbourhood plans (NDPs) allow communities to establish general planning policies for the development of land in their area. These must be in general conformity with the strategic policies in the council's Core Strategy and have regard to national planning policy. Stratford-on-Avon District is a parished area so only a parish council or a group of parish councils can prepare a Neighbourhood Plan. (In non-parished areas a Neighbourhood Forum must be formed to prepare a neighbourhood plan.)
- 4.4 Like local plans, regulations³ cover neighbourhood plan preparation, including draft and submission consultation requirements and the referendum stages.
- 4.5 Because preparation of neighbourhood plans is led by parish councils, Stratford-on-Avon District Council's role is different compared to DPDs and SPDs. Initially, the Council's role is to provide advice, technical input and support to groups developing a plan. Up to submission of the final draft ('proposed submission') plan, it is the town or parish council that is responsible for public consultation and engagement in its preparation. It is only at submission stage that Stratford-on-Avon District Council takes a lead on finalizing the plan. This includes consultation and referendum, which will be publicised on the website and in local press adverts. The Council will update details of the progress of each neighbourhood plan on its website. It will also publish examiners reports and any associated decision notices. Parish Councils can assist by making documents available locally and providing local publicity.
- 4.6 Prior to referendum an examined NDP is a 'material consideration' in the planning application decision making process. NDPs waiting to be 'made (adopted)' by the Council following a YES vote at referendum are deemed to form part of the Development Plan for the District⁴. This means that the council and planning inspectors will need to take the plan into consideration when making planning decisions in the NDP area.
- 4.7 The council's policy for supporting qualifying bodies and facilitating the process is through the provisions in Table 3 below.

Key Stages	Parish/Town council	SDC support and advice
1. Pre-designation	<ul style="list-style-type: none"> • Before submitting an application to designate the neighbourhood area the Parish/Town Council may decide to consult the local community about preparing a neighbourhood plan. 	<ul style="list-style-type: none"> • Advice as to the suitability of completing a plan and its scope including attending meetings or providing briefings.
2. Area Designation	<ul style="list-style-type: none"> • Parish/Town Council forms the 'qualifying body' and submits the neighbourhood area designation application to SDC. 	<ul style="list-style-type: none"> • Supply mapping where appropriate. • No consultation is required for parish areas. The designation is approved under delegated powers by the Leader of the Council.
3. Draft Plan Preparation	<p>The Parish Council will:</p> <ul style="list-style-type: none"> • Secure Government funding grants • Appoint planning consultant (optional) • Develop vision, aims and objectives • Initial evidence gathering • Parish survey* and publicity • Prepare the draft plan 	<ul style="list-style-type: none"> • Guidance and interpretation of the relevant legislative requirements. • Provide advice on national and core strategy policies as well as other appropriate regulations or legislation. • Share evidence and information on planning issues and on funding or skills for neighbourhood planning. • Advice on available evidence base documents. • Help to interpret economic and housing need and liaise with external partners where appropriate. • Provide relevant contact information for consultation including statutory consultees and local interest groups and bodies. Advice on undertaking consultation, publicity and engagement.* • Provide advice on draft policies and an informal view as to whether they are in general conformity with relevant local and national policies.

Statement of Community Involvement

<p>4. Pre-Submission Draft Plan (Regulation 14)</p>	<p>The Parish Council will:</p> <ul style="list-style-type: none"> • Consult over minimum six week period • Parish Council to consider the comments made and amend the plan • Prepare Consultation Statement 	<ul style="list-style-type: none"> • Arrange for the draft plan to be screened for the potential requirement for a Strategic Environmental assessment (SEA) and arrange for the subsequent SEA if required. • SDC will provide feedback in the form of comments on the draft plan.
<p>5. Submission (Regulation 16)</p>	<ul style="list-style-type: none"> • Parish Council submits the amended NDP, Consultation Statement and Basic Conditions Statement to SDC. 	<ul style="list-style-type: none"> • Undertake minimum six week consultation on the submission plan.
<p>6. Examination</p>	<ul style="list-style-type: none"> • Parish Council considers the examiner's recommendations. 	<ul style="list-style-type: none"> • Make arrangements for the independent examination of the neighbourhood plan. • Submit the submission plan to the appointed examiner together with the consultation summary and all submitted responses. • Publish the Examiner's report on the website • Assess the plan for compliance with statutory requirements that it meets 'basic conditions'. • Work with the NDP group to take forward the recommendations within the Examiner's Report. • If a decision is taken to differ from any recommendation then arrange for a further 6 week consultation as required. ⁵(Regulation 17A)
<p>7. Referendum & Making</p>	<ul style="list-style-type: none"> • Parish Council may raise local awareness of the referendum using neutral promotional material. • Make documents available locally 	<ul style="list-style-type: none"> • Organise the referendum • Provide publicity and Information for Voters guidance for the referendum • Publish referendum results on the website and issue news release • The Council 'makes' the NDP and issues the decision notice.

5. Community Infrastructure Levy (CIL)

- 5.1 The Community Infrastructure Levy is a charge that allows councils to raise funds from most types of new development in their area to fund essential infrastructure. Local authorities who introduce a CIL are known as charging authorities and must produce a Charging Schedule which sets out the levy rate(s) that the authority will charge. The rate is charged per square metre. ⁶CIL Regulations set out the procedure that charging authorities must follow prior to adopting or changing a Charging Schedule. These are summarised in Table 4 along with the key opportunities for engagement.

6. Planning Applications

- 6.1 Development Management is the process by which decisions are made on proposals for the use and development of land and buildings. It is an enabling process involving a positive, problem solving approach by the Council to shape and decide proposals for new development. The Development Management Service is responsible for determining planning applications received by the Council.
- 6.2 The planning application process, including consultation, can be viewed as a [flowchart](#).
- 6.3 There are a number of different types of application depending on the specific type of consent sought and the main types are listed below:
- Planning permission – including full, outline, reserved matters, variations and amendments
 - Householder consent
 - Change of Use
 - Prior approval and permission in principle
 - Listed Building and Conservation Area (including trees)
 - Advertisement consent
 - Notifications
- 6.4 For all types of application, the broad approach to engagement is the same as set out in Table 5.
- 6.5 Ward Members and Parish/Town Councils will be notified of all applications for planning permission, notification of works to trees with Tree Preservation Orders and trees in conservation areas, listed building consent, advertisement consent and prior approval.

Stage	Process and Requirements	Engagement
Pre-application Consultation	<ul style="list-style-type: none"> • Although not a legal requirement the District Council encourages any person contemplating development, other than house extensions, to engage in informal discussions with the Development Management Service as early as possible before the application is submitted. • Applicants are encouraged to engage with relevant organisations and infrastructure providers (e.g. WCC Highways) and involve the community especially the parish council at the earliest opportunity • For all large-scale proposals, the Council expects the applicant to submit a Statement of Community Involvement in order to validate a planning application. The Council's Local List explains what the Statement of Community Involvement should contain. • Under the provisions of the Freedom of Information Act 2000, the Council may have to make public any information it has unless one of the stated exemptions apply, for example personal information, or commercially sensitive information. 	<p>No formal role in terms of engagement for Stratford-on-Avon District Council</p> <p>Type of engagement will be set by the applicant but often includes a public exhibition and/or short survey</p>

<p>Publicity and Consulting on Planning Applications</p>	<p>A weekly list of all new applications received by the Council will be posted on the Council's website.</p> <p>The Council also provides a Planning Application Email Alert service. Parishes within the District can be selected and an email alert is sent out when new applications become available.</p> <p>Comments and consultation responses will be held on the application file and made publicly available to view via the website, alongside the name and address of the person/organisation making the comment. We will not publish sensitive information (such as personal telephone numbers, email addresses or signatures). We reserve the right not to publish any comments or parts of comments that are not considered suitable for public view, including comments that are offensive, personal or defamatory.</p> <p>There is no statutory requirement to re-notify neighbouring properties, Ward Members and/or Parish/Town Councils when plans are amended or substituted after the initial submission. However, discretionary re-notification will be undertaken, having regard to the effect of the change, any earlier representations and the significance of the change in relation to the characteristics of the originally submitted development.</p> <p>Retrospective applications may be submitted to regularise breaches in the use and development of land. The Council will carry out consultation consistent with that of a regular planning application.</p>	<p>Residents, businesses and other interested parties can submit comments to the Council addressed to the case officer in respect of the proposal.</p> <p>The length of the consultation period will vary depending on the type of planning application⁷.</p> <p>The Council notifies stakeholders and the community in accordance with the regulations⁸:</p> <ul style="list-style-type: none"> • The publishing of the application details on the Council's website and a facility to enable interested parties to comment online through the E-Planning System; • A letter to the owners or occupiers of properties adjoining the application site advising of an application and the period in which to submit comments to the Council; and/or • Site notices placed on or near sites subject to applications for development; • Advertisement in the local press. <p>The Council will also consult various statutory and non-statutory consultees, such as Ward Members, the relevant Parish/Town Council, the Highway Authority, the Environment Agency and drainage companies. Various interest/community groups may also be notified.</p>

7. Permission in Principle

- 7.1 Permission in principle (PIP) consent is an alternative way of obtaining planning permission for housing led development. The PIP consent route has two stages:
1. The permission in principle stage establishes whether a site is suitable in principle
 2. The 'technical details consent' (TDC) stage is when the detailed development proposals are assessed. Granting technical details consent has the effect of granting planning permission.
- 7.2 Local planning authorities can grant permission in principle:
1. Upon receipt of a valid application⁹ for any site that might accommodate minor housing led development (from 1 June 2018), or
 2. By entering a site in Part 2 of its Brownfield Land Register¹⁰ (BLR) which will trigger a grant of permission in principle for that land providing the statutory requirements set out in legislation are met. This is the only route by which brownfield sites capable of accommodating major development can achieve PIP.

The two processes for obtaining permission in principle and opportunities for engagement are set out in Table 6.
