Dear Glynn and Eva

## **Loxley Neighbourhood Development Plan Independent Examination – Second Examiner Letter seeking clarification of matter**

In my letter of 24 October 2019 seeking clarification in respect of Habitats Regulations Assessment I asked that your reply should follow consultation with Natural England. Could you please confirm the result of that consultation, or advise me why you consider such consultation will not be necessary.

I request any response is agreed as a joint response of the Parish and District Councils. My request for clarification and any response should be published on the District Council website.

In order to maintain the momentum of the Independent Examination I would be grateful if the District Council could send me your joint reply by 11 November 2019.

I should be grateful if the District Council and the Parish Council could acknowledge receipt of this email.

Best regards  
Chris Collison
