3	Window replacement	Fixed price	£120.00 initial window then £12.00 per additional window	N/A	£120.00 initial window then £12.00 per additional window

Notes

- **50% reduction can be taken off smaller work when carried out at the same time as larger charged projects**
- Where part of an extension is single storey and part is two storey the areas can be added together and the charge for a two storey extension will apply.
- Where a first floor extension is constructed over an existing single storey structure the charge applied is that for a single storey extension of the same floor area.

Regularisation Charge

Where building work has been carried out without the benefit of Building Regulations Approval, and is to be regularised, you will pay a regularisation charge to cover the cost of assessing your application and all inspections. The charge is equivalent to the Building Notice charge (ex VAT) plus 50% (No VAT is payable on a regularisation charge). Please refer to our website www.stratford@gov.uk or contact Building Control for further advice and/or a quote.

Individually determined domestic charges

If the work you are carrying out is not listed as a standard charge, the charge will be individually determined.

This method of determining the charge mainly relates to larger schemes and includes the following types of building work.

- Applications subject to a reversion charge (work reverting from an approved inspector to the local authority)
- Building work that is in relation to more than one building
- Building work consisting of alterations to a domestic property (other than extensions) where the estimated cost exceeds £20,000
- Building work consisting of a domestic extension where the floor area exceeds 100m² for single storey or 200m² for two storey
- Building work consisting of a non-exempt domestic garage or carport with a floor area over 100m²

If your building work is defined as requiring an individual assessment of a charge you should e-mail Stratford Building Control at: buildingcontrol@stratford-dc.gov.uk with 'request for building regulation charge' in the title of the e-mail and provide a description of the intended work. We will contact you within 24 hours. Alternatively telephone our helpline on 01789 260626.
