1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 The scheme applies where local restrictions (LCAL3) are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grants under this scheme will be available for the 2020/21 and 2021/22 financial years only.
- 1.8 No grant shall be paid for any period where the localised or widespread national restrictions were in place prior to 14th October 2020.
- 1.9 Where any area enters either a localised restriction (LCAL3) or where a national restriction applies, additional assistance may be given to businesses under the Council's Local Restrictions Support Grants (Closed) Scheme (as amended).

2.0 Funding

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive a one-off lump sum payment amounting to £20 per head in each area when local restrictions (LCAL3) or widespread national restrictions are imposed.

- 2.2 Once the Council's area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.

3.0 Eligibility criteria and awards

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.

However, the Council will have the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of Covid-19. Government has also stated that the Council may also wish to assist business which are outside of the rating system and which are effectively forced to close.
