Appendix A
Schedule of buildings within the Conservation Area

Section 1 - Listed Buildings
See plan opposite for references

'Holy Well' at SP 4100 6186
(Listed Building Ref. 51 - Grade II)
Outside the Conservation Area

Also Scheduled Ancient Monument, County Number 104,

List description : Well. Probably C17/C18, with possible earlier origins. Limestone and sandstone semi-circle, the straight wall inset with 3 worn carved heads spouting water into a trough. Well supported by moulded buttresses to either side. 3 steps lead down to either side of trough.

47 and 49 Abbey Lane
[Formerly listed as The Rookery]
(Listed Building Ref. 55 - Grade II)

List description : House, now 2 cottages. C14/C15 origins, with C16 and C17 additions. Small cruck-framed range to rear, with C16 timber-framed cross wing extending forward. Main range of squared coursed lias ground floor with timber-framed first floor. C20-tile roof with rendered ridge and end stacks. L-shaped plan. 2-storey, 4-window range of C19 and C20 two- and three-light casements to front. C20 door to centre-left and centre-right within C20 timber porches. To rear of No.47 a single-unit range with one pair of full crucks. Large framed rear wall with lath and plaster infill. C16 front range of No.47 is large framed, heavily jettied to front gable.
Interior: pair of full crucks visible in No.47, the ridge recently gone and a first floor recently inserted. Large spine beam and rafters in C16 range, with large open fireplace with chamfered timber bressumer. In main range (No.49 and part of No.47) stop-chamfered spine beams and joists, with some earlier joists. Open fireplace with carved bressumer, probably re-used. Queen-post roof of 3.5 bays with original ridge, purlins and braces, the rafters replaced C20.

3 and 5 Banbury Road
(Listed Building Ref. 56 - Grade II) **[39]**

List description : (Shown on O.S. map as Nos.2 and 3).
2 cottages. Early C18, faced in brick C19. Colourwashed brick in Flemish garden wall bond, with thatch roof and brick ridge and end stacks. 3-unit plan. One storey plus attic; 3-window range of C19 two-light casements with segmental brick arches. C20 doors in C20 porches. C20 one-storey extension to rear.
Interior: original roof purlins remain.

Brown's Bridge
Banbury Road
(Listed Building Ref. 57 - Grade II) **[40t]**

List description : Bridge. Dated 17? (said to be 1710). Sandstone ashlar, of 2 arches with keyblocks, with flanking and central pilasters and parapet. Central pilaster is inscribed with names of those who built the bridge, and the date, now worn and damaged. Some brick patching to parapet.

The Bull Inn
Bull Street
[Formerly listed as Bull Inn, Daventry Street]
(Listed Building Ref. 58 - Grade II) **[40b]**

List description : Inn. Early C19. Brick, rendered to front with plinth and bracketed timber eaves cornice. Slate roof with brick ridge and end stacks. 3-unit plan. 3-storey, 3-window range of C19 three-light casements to first and second floors and C19 canted bays to ground floor. 4-panelled door with plain stuccoed doorcase to centre. Range to left has carriage arch with two early C19 sashes above. Original scrolled wrought-iron sign to first floor. C19 brick gabled ranges to rear.
Interior: C19 spine beam to ground floor.

2 and 3 Bull Street
(Listed Building Ref. 59 - Grade II) **[41t]**

List description : House. Early C18. Probably brick, now rendered, with plinth. Plain-tile roof with brick ridge and end stacks. 3-unit plan. 2-storey, 3-window range of C19 three-light casements to first floor and C20 casement and bays to ground floor. C20 door to left and centre-right. Rendered lean-to and C20 one-storey extension to rear. Interior: chamfered spine beams with ogee stops to ground floor, and chamfered spine beams with jewel stops to first floor. Open fireplace with C19 boxed bressumer and C19 moulded timber hood.

The Grange
Coventry Road
(Listed Building Ref. 60 - Grade II) **[41b]**

Note recently erected Community Hall within rear garden

List description : (Shown on OS map as Council Offices.)
House, now offices. Early C19. Rendered brick with plinth and bracketed eaves cornice. Hipped slate roof with brick end stack. Central-staircase plan. 2-storey, 3-window range of 12-pane sashes with moulded stone surrounds. Six-panelled double doors with decorative fanlight within porch with pilasters and cornice. Further 12-pane sashes to sides and rear. C19 service range to right, with C20 one-storey extension to rear. Interior: 4-panelled doors with moulded architraves. Plaster cornices in hall and main rooms. 6-panelled doors to first floor. Barley-sugar baluster staircase with turned baluster newel.

The Bowling Green Public House
Coventry Street
(Listed Building Ref. 61 - Grade II) **[34b]**

List description : Public house, probably formerly house. Mid C18 with early C19 range to front. Brick in Flemish garden wall bond, rendered to front. C20-tile roof with brick ridge, lateral and end stacks. Double-depth plan. 2-storey, 3-window range of C19 three-light casements. C20 door within C19 pilaster surround, the fanlight gone. C18 parallel range to rear has C19 and C20 casements on left gable end. C19 and C20 extensions to rear.
Interior: noted as having spine beams.

The Woodlands
Coventry Street
(Listed Building Ref. 62 - Grade II)

List description : Cottage. C18. Timber framed, perhaps faced with brick to front. Rendered front and gable end. C20-tile roof with brick internal and end stacks. 3-unit plan. One storey plus attic; 3-window range of C19 sash and C19 and C20 two-light casements. 4-panelled door to centre-left with C19 plank door to centre-right. Gabled dormer to centre with C20 dormer to right. C19 canted bay and further 2-light casement to left gable end. C19 outbuilding extension to right. Timber-framing with brick infill complete to rear.
Interior: chamfered beam. C18 panelling to ground floor, probably re-used.
Included for group value.

50 Coventry Street
(Listed Building Ref. 63 - Grade II) [43]

List description : House. Early C17, with mid C19 alterations. Probably brick, cement-rendered to front and sides, with plinth, pilasters to corners and to centre-left and centre-right, and bracketed eaves cornice. Slate roof with rendered ridge and end stacks. 3-unit plan. 2-storey, 4-window range of C19 twelve-pane sashes, those to ground floor with margin bars. Ground floor windows have rendered pilaster surrounds with moulded hoods. First floor windows have shouldered architraves. C20 door with rendered pilaster surround with hood. C19 brick extensions to rear.
Interior: C17 ovolo-moulded spine beam, and chamfered spine beams to ground floor. C18 salt cupboard with butterfly hinges and small drawers inside. Said to have original roof timbers.
Included for group value.

The Old Mint Public House
Coventry Street
(Listed Building Ref. 64 - Grade II) **[44]**

List description : House, now inn. Early C16. Squared coursed lias with sandstone dressings, patched in places with Roman bricks, with plinth and coped gables. Plain-tile roof with brick end stacks. L-shaped plan, with gable facing front. 2 storeys plus cellar and attics; 3-window range of 3-light mullioned windows with hood mould and labels to ground and first floors, and 2-light mullioned window to attic. C16 gabled porch in internal angle rises to attic, and has a 2-light mullioned window to first floor with worn panel above, and single light in gable. C20 one-storey addition to porch has plank door within Tudor-arched surround. Further doorway in original porch has part-renewed chamfered surround and renewed Tudor-arched head. Left side and rear have further mullioned windows and single-chamfered lights. C16 Tudor-arched doorway to rear, and to front within original porch.
Interior: heavy stop-chamfered spine beams in ground floor room to rear, also said to exist in first floor rooms. C17 open-well staircase rising to attics with moulded strings, large turned balusters, moulded handrails and pendants, and a panelled newel-post with ball finials.
(V.C.H.: Warwickshire, Vol.VI, pp.220-221 and Buildings of England: Warwickshire, p.403).

Yew Tree House
[Formerly listed as House opposite Bowling Green P.H. and occupied by B.G. Osbourne]
Coventry Street
(Listed Building Ref. 65 - Grade II) **[45t]**

List description : House. Early C19. Brick in Flemish bond with rendered plinth and dentilled eaves cornice. Slate roof with brick ridge and end stacks. L-shaped plan. 2-storey, 4-window range of 12-pane sashes to first floor and 16-pane sashes to ground floor. Windows have gauged brick flat arches except those to first floor left, centre-right and right which break into eaves cornice. 6-panelled door with pilaster surround and pediment. Range to rear has further sashes to ground floor and 3-light casements to first floor. Interior not inspected but likely to be of interest.

Beech House
Coventry Street
(Listed Building Ref. 66 - Grade II) **[45b]**

List description : House. Early C19. Brick in Flemish bond with storey bands and nogged brick eaves cornice. Plain-tile roof with brick end stacks. Central-staircase plan. 3-storey, 3-window range of 16-pane tripartite sashes to ground floor, 12-pane sashes to first floor and 2-light casements to second floor. All windows have rendered flat arches with keyblocks. C20 door with original fanlight within pilaster surround with open pediment.
Interior: original 6-panelled doors with moulded surrounds. Stone-flagged floor in hall.

85 and 87 Coventry Street
(Listed Building Ref. 67 - Grade II) **[46t rhs, 19t]**

List description : House, now 2 houses. Early/mid C18. Whitewashed brick in Flemish bond with rendered plinth, and storey band to No.85. C20-tile roof with brick ridge and end stacks. 3-unit plan. 2-storey, 4-window range. No.85, to left, has C19 two- and 3-light casements. No.87, to right, has C19 canted bay to ground floor and 2-light casements to first floor. C20 doors with hoods.
Interior: No.85 has chamfered spine beams with ogee stops and open fireplace, the bressumer refaced C19.

4 Daventry Road
(Listed Building Ref. 68 - Grade II) **[46b]**

List description : House. Late C17/early C18, with large late C18/early C19 additions. Colourwashed brick in Flemish bond with dentilled eaves cornice. Slate and tile roofs with brick end stacks. L-shaped plan. 2 storeys and one storey plus attic; 3-window range of 16-pane sashes to first floor, and C18 paned 2-light casement with 'candle' panel to ground floor right. C20 casement to first floor right. Panelled/glazed door within pilaster surround with hood to centre. Late C17/early C18 timber-framed range to rear with brick infill has two C20 dormers, and two C19 doors.
Interior: chamfered spine beams with run-out stops in later range. Stick-baluster staircase. Queen-post roof with curved principal rafters in earlier range. 6-panelled doors to ground and first floors, with one late C17/early C18 plank door to first floor of earlier range.

The Crown Inn
Daventry Street
(Listed Building Ref. 69 - Grade II) **[47t]**

List description : 2 houses, now inn. Mid C18, the range to right raised C19. Squared coursed lias with rendered plinth to ground floor right and timber framed to left with rendered infill. C20-tile roofs with brick end stacks. Originally 3-unit and 2-unit plans. 2-storey, 5-window range of C19 two-light casements, a 9-pane sash and two C19 bow windows to right. Two C20 dormers in range to left. C18 plank door to far left, with C20 door to centre-right. Blocked doorway to right with wood lintel. C18 framed gable end with small leaded light to right. C19 and C20 extensions to rear.
Interior: chamfered spine beams with run-out stops in ground floor rooms.

4, 5 and 5A High Street
(Listed Building Ref. 70 - Grade II) **[47b]**

List description : House, now shops. Mid C18. Probably brick in Flemish garden wall bond, rendered to front. Squared coursed lias to rear. C20 tile roof. 3-unit plan. 2 storeys plus attic; 3-window range of C19 three-light casements to first floor. C19 shop window to ground floor centre, with C20 shop front to right. Three C20 doors, with one C19 plank door to centre. 2 gabled dormers.
Interior: chamfered spine beams to ground and first floors.

The Manor House: 'Taylors' and 'Rockingham Motorcycles', Market Hill
(Listed Building Ref. 71 - Grade II)

List description : House. Mid/late C16, with mid C18 additions. Whitewashed coursed stone to ground floor with rendered timber-framed first floor, the herringbone and decorative-brace framing beneath render. C20-tile roof with large stone ridge stack with four C17 flues diagonally set. L-shaped plan with jettied first floor. 2 storeys plus attic; 2-window range to west and to north. Ground floor windows to west, north and east are each of 4 lights with hollow-chamfered mullions and transom, with king mullion. C19 canted bay shop front to ground floor right of west facade. First floor windows to north are of 5 lights with ovolo-moulded wood mullions and transom, and are supported on moulded brackets. First floor of west facade has C18 bay with pediment, with a C19 three-light casement to right. Leaded-light casements in gables to north and west. C20 panelled/glazed door with C17 doorcase to west. Jettied first floor and jettied gables have moulded sole-plates and are supported on carved scroll and figure brackets. Moulded bargeboards to north, with carved vine-scroll bargeboards to west. C18 range to right has 2-light casements to first floor with glazed door and C20 plate-glass shop front to ground floor. C20 extension to right. Early C18 outbuilding range to rear, of brick in Flemish bond with flared headers and stone quoins. C20 garage doors and shop front.
Interior: ground and first floor rooms have ovolo- and hollow-moulded spine beams with stops. One first floor room has a fireplace with four-centred head and moulded surround with carved rosette stops. Timber-framed partition wall to first floor. C16 roof remains, with purlins and braces visible. C18 range has stop-chamfered spine beams. Outbuilding range to rear has Queen-post roof and chamfered spine beams with small stepped stops.
(V.C.H.: Warwickshire, Vol.VI, p.220).

Midland Bank
Market Hill
(Listed Building Ref. 72 - Grade II) **[49t]**

List description : House, now bank. Mid C18 with mid C19 alterations and additions. Probably brick, rendered, with plinth, pilasters and bracketed eaves cornice. C20-tile and slate roofs with brick end stacks. 3 storeys and 2 storeys plus attic; 7-window range of C19 two-pane sashes to right and 12-pane and 6-pane sashes to left. C20 door set back within pilaster surround to left, with panelled door within Corinthian pilaster surround and entablature to centre. 3 gabled dormers. C19 and C20 gabled extensions to rear.
Interior: noted as having 6-panelled doors with moulded architraves to first floor.
Included for group value.

Craven Arms Hotel
Market Hill
(Listed Building Ref. 73 - Grade II) **[49b]**

List description : Hotel. C18. Brick in Flemish bond, rendered to front with rendered plinth, quoins and moulded eaves cornice. C20-tile hipped roof with brick ridge stack. Double-depth plan. 2 storeys plus attic; 8-window range of 12-pane sashes. C20 door to centre-left with original fanlight. Carriage-arch to centre-right with double panelled doors. Four C19 gabled dormers. C19 rendered and whitewashed brick extensions to rear, perhaps conversions of former outbuildings.
Interior: moulded surround of former panelled door remains in room to left of carriage arch.

9 Market Hill
(Listed Building Ref. 74 - Grade II) **[50t rhs]**

List description : House, now shop. Mid C18 with early C19 facade. Brick in Flemish bond, rendered to front with plinth, storey band, moulded eaves cornice and coped parapet. C20-tile roof with brick end stack. 3-unit plan. 2 storeys plus attic; 3-window range of C19 cross casements with cast-iron decorative balconies to first floor. Early C19 panelled/glazed doors to centre, flanked by paned shop front. C19 horned sashes to either side, and C20 door with C19 overlight to far right. 3 gabled dormers. C19 two-storey brick extension and C20 brick lean-to to rear.
Interior: ground floor opened out, probably early C19.

21 Market Hill and attached railings
Vivian House
(Listed Building Ref. 75 - Grade II)
[10t,50b rear]

List description : House. Early C19. Rendered brick with plinth. C20-tile roof, hipped to right, with brick ridge and end stacks. Double-depth plan. 3 storeys plus basement; 2-window range of 12-pane sashes with margin bars to ground and first floors and 6-pane sashes with margin bars to second floor. C19 door with plain overlight within Ionic column and entablature surround, and approached by 4 stone steps. Right facade has further 6-pane sashes and blind window openings. 6-panelled door with fanlight within panelled surround. Attached to front of house, to either side of steps, C19 wrought-iron railings on low stone railings base. Interior not inspected but likely to be of interest.

The Black Dog Public House and No.10 Market Hill
(Listed Building Ref. 76 - Grade II) **[51t]**

List description : Includes 1 Warwick Street.
Public House. Probably C18, with early C19 facade. Probably brick, rendered, with plinth, C20-tile roof and brick internal and end stacks. 3-unit plan. 2-storey, 3-window range. C20 bows to ground floor centre and right, with 12-pane sashes to first floor. Early C19 canted bays with tripartite sashes to ground and first floor left. C20 door with overlight to left (No.10) and 6-panelled door to right. Doors have rendered pilaster surrounds. To rear of The Black Dog an early C19 range with 12-pane sashes to ground and first floors, and 6-panelled door, the original doorcase now gone.
Interior: noted as having beams.
Included for group value.

24 Oxford Street
Vernon House
(Listed Building Ref. 77 - Grade II)

List description : House. Late C18. Brick in Flemish bond with storey band, projecting central bay with pediment and bracketed eaves cornice. Slate roof with brick ridge and end stacks. Central staircase plan. 2 storeys plus attic; 3-window range of replaced tripartite sashes with overlights and gauged brick arches to ground floor and 12-pane sashes with brick flat arches to first floor. Small semi-circular window with brick arch in tympanum. 6-panelled door with wreathed fanlight within fluted pilaster surround and open pediment supported on consoles. Further plank door with fanlight and gauged brick arch to far left. Interior not inspected but likely to be of interest.

Church of St. James
Park Lane
(Listed Building Ref. 78 - Grade I) **[52, 53 etc]**

Pevsner states "...if it were not for the red stone, a Northamptonshire sight. "

The north side of the churchyard has an avenue of limes commemorating the victory of Waterloo

List description : Church. C14, with C15, early C16 and C19 alterations and additions. Squared coursed lias chancel, nave and tower with sandstone dressings, and sandstone ashlar clerestory and spire. Fish-scale tile chancel and porch roofs with flashing. Lead nave roof. Chancel with north aisle, nave with north and south aisles and west tower. Chancel of C14 origins, rebuilt C15. Three bays with moulded plinth, offset buttresses, chamfered eaves cornice and coped gable to east with cross at apex. Restored east window of 4 cusped lights with curvilinear tracery within a moulded surround. 3 part-restored C15 windows to south, each of 3 cusped and ogee-headed lights with moulded surround. Central window truncated with restored ogee-headed doorway below with plank door. C19 north aisle of 2 bays with 2 windows to north, each of 2 ogee-headed lights and trefoil tracery. C19 vestry to east with one C13-style 3-light window to east and one C13-style lancet to north. Also to north a small C20 lias and sandstone kitchen extension. C14 nave with aisles widened C15. Early C16 clerestory. Nave of 4 bays, the aisles with chamfered plinths and offset buttresses. South aisle has hollow-chamfered eaves cornice with paterae. Parapetted nave roof with moulded eaves cornice. North aisle has two C15 windows to east of porch, each of 3 ogee-headed lights within square-headed chamfered surround. C19 restored window to west of porch of 2 cusped lights and tracery. C19 west window to north aisle of 2 cusped lights and curvilinear tracery. C19 gabled porch with offset buttresses and

coped gable on kneelers. Plank door within moulded pointed-head surround with hood mould and labels. Trefoiled lancets to east and west. Re-used doorway of 2 orders, the inner a roll with small moulded capitals. Hood mould with carved foliage labels. C19 plank door. South aisle has 3 windows to south, that towards east C19 in C15 style, of 3 cusped lights within a segmental pointed-head surround. Restored windows to east and west of porch, each of 2 cusped lights with C15 tracery. 3-light traceried window with segmental pointed-head surround in each wall. C19 window in west wall of 3 cusped lights and reticulated tracery. C19 gabled porch with moulded plinth and hollow-chamfered eaves cornice with paterae. Double plank doors within pointed, moulded, arch with columns with carved foliage capitals and moulded bases. Re-used pointed-arched doorway with moulded surround. North and south windows of two C13-style lancets. Early C16 clerestory of 8 windows, each of 2 scalloped lights with 4 trefoiled tracery lights within hollow-moulded, 4-centred-head surrounds with continuous hood mould. Scalloped panel tracery below windows. C14 tower of 3 stages with moulded plinth, large offset diagonal buttresses rising to top, string course at second stage and hollow-moulded eaves cornice with carved heads in hollow. Part-restored C14 west window to first stage of 2 cusped lights within ogee-headed surround. C16 west door immediately below, with moulded shoulder-arched surround. C19 plank door. C14 two-light windows with moulded surrounds to all faces of third stage, with pointed light to second stage south. C15 octagonal broach spire, part rebuilt at top, with pinnacles on broaches and 2 tiers of lucarnes.

Interior: below east window of chancel a C19 stone-panelled reredos. South windows have moulded rere-arches. C19 north aisle arcade of 2 bays. Ogee-headed piscina. C14 rood-loft doorway. C19 open-trussed rafter roof. C15 double-chamfered chancel arch. Nave arcade of 4 bays with double-chamfered arches and

octagonal piers with moulded bases and capitals. Hood mould with C19 carved head labels. Clerestory has panelled tracery below windows, echoing exterior. Early C16 roof with moulded tie-beams, moulded rafters and moulded purlins. Carved wood bosses representing Tudor roses, angels and foliage. Traceried brackets support tie beams, and rest on carved head and angel corbels. Double-chamfered tower arch. C19 north aisle roof with C17 chamfered-beam south aisle roof. 2 moulded, pointed-arched, tomb recesses in south aisle wall, with C14 ogee-headed piscina with fluted basin. Fragments of medieval wall painting remain on west wall. C17 polygonal pulpit, part-restored, with carved tracery panels. C19/C20 screen with rood loft, replacing earlier screen. C18 floor slabs in chancel, and C18 and C19 floor slabs in nave. Wall tablets in south aisle to the Wood family, late C18, and to members of the Barnacle family, died 1741 and 1781, also one dated 1745, with carved surround. Wall tablet in north aisle to Daniel and Martha Attrick, who died in 1765 and 1772 respectively. Two C17 chests in nave, one dated 1620. C19 polygonal pulpit in south aisle.
(V.C.H.: Warwickshire, Vol.VI, pp.222-4; Buildings of England: Oxfordshire, p.403).

2 chest tombs and headstone approx. 12m. S of S aisle of Church of St. James
Park Lane
(Listed Building Ref. 79 - Grade II)

List description : 2 chest tombs. One dated 1728, the other early C19. Limestone, the C18 tomb with chamfered base, plain pilasters and moulded ledger, the C19 tomb with moulded base, fluted pilasters and moulded ledger. C18 tomb inscribed: 'To the memory of Robert Cox who/Departed this Life/the 16 Day of September/1728 Aged 73' and: 'To the memory of/Elizabeth the Wife of/Robert Cox who Departed/this Life the 10 Day of June/17? in

the 47 Year/of Her Age'. Headstone dedicated to one who: 'WAS BURIED/MAY THE 10/1698' and has carved surround.

Chest tomb approx. 6m. SW of SW corner of S aisle of Church of St. James
Park Lane
(Listed Building Ref. 80 - Grade II)

List description : Chest tomb. Dated 1819 and 1841. Limestone, with moulded plinth, baluster corners and moulded ledger. Damaged plinth and railings base.

Hill House
[Formerly listed as Hill House including Coach House]
Warwick Road
(Listed Building Ref. 81 - Grade II) **[16b]**

List description : House. Early C19. Brick in Flemish bond with pilaster corners and stone cornice, stone storey band and nogged brick eaves cornice. C20-tile hipped roof with brick ridge stacks. Central-staircase plan. 3-storey, 3-window range of 12-pane sashes to first floor and 6-pane sashes to second floor with brick flat arches. Canted bays to ground floor. 6-panelled door with decorative fanlight within pilaster surround with open pediment. Gothick casements in right gable end. Interior not inspected but likely to be of interest.

The Stoneythorpe Hotel
Warwick Road
(Listed Building Ref. 82 - Grade II) **[56b]**

List description : Formerly hospital, now hotel. Early C19. Rendered brick with pilasters to front, slate roof and rendered brick ridge and end stacks. Central-staircase plan. 2- and 3-storey, 8-window range of pointed-arch casements with Gothick glazing bars to first and second storeys. C19 sashes to ground floor, with canted bays with Gothick sashes to ground and first floor centre. To each floor either side of bays a pointed-arch niche. Paned double doors to centre-right with paned surround, and further paned double doors to centre-left.
Interior: chamfered spine beams with small stops to central ground floor room, with some Gothick niches in walls. Stick-baluster staircase. First floor rooms said to have been modernised.
History: The Stoneythorpe Hotel was built as the Eye and Ear Infirmary by Dr. Henry Lilley Smith, and opened in 1818.

Monument approx. 50m. SW of The Stoneythorpe Hotel
Warwick Road
(Listed Building Ref. 83 - Grade II) **[57]**

List description : Monument. Late C19. Limestone on granite plinth with moulded base and cornice surmounted by urn. Inscribed to front:

'THIS STONE/MARKS THE SITE OF THE/DISPENSARY COTTAGE/USED FOR THE PURPOSES OF THE FIRST SELF SUPPORTING OR/PROVIDENT DISPENSARY/IN THE KINGDOM,/ESTABLISHED HERE BY/MR. H.L. SMITH,/IN THE YEAR 1822/UPON THE PLAN AFTERWARDS/ SUCCESSFULLY/ ADOPTED AT/ COVENTRY, NORTHAMPTON/ AND MANY OTHER PLACES'.

History: the Dispensary, which this stone commemorates, was established in a C17/C18 thatched cottage by Dr. Henry Lilley Smith, the founder of the former Eye and Ear Infirmary, now The Stoneythorpe Hotel (q.v.). The stone was erected in 1889 by Rev. William Smith, son of the Dispensary founder.
Included for group value.

24 and 26 Warwick Road
[Formerly listed as Sunnycroft]
(Listed Building Ref. 84 - Grade II) **[58t & b]**

List description : (Shown on OS map as No.33.)
House, now 2 cottages. C15 origins, with C17 additions. Coursed lias, whitewashed brick and timber framed first floor sides. Cruck-framed central range. C20-tile roof with C20 brick ridge and internal stacks. U-shaped plan. One storey plus attic; 5-window range of C19 three-light casements and C20 casements with wood lintels. One C19 gabled dormer to front. C20 door to No.24 in left side, with further C20 door to No.24 to rear.
Interior: that part of central range in No.26 has 2 pairs of full crucks with saddles on stone plinth. C16 spine beam, and large open fireplace. Roof with braces. Some framed partitioning.

The Abbey
[Formerly listed as The Abbey with Stone entrance piers]
Warwick Road
(Listed Building Ref. 85 - Grade II) **[16t, 59]**

List description : House. Early C17 with C18 and early C19 alterations and additions. Squared coursed lias and brick in English bond and Flemish bond. Slate roof with stone ridge stacks, and brick end stacks on stone bases. Probably originally an L-shaped plan. 2 storeys plus attic; 3-window range of 3-light casements in rendered Dutch gables which are probably C19. Panelled/glazed door to centre has fluted pilaster surround with dentilled pediment. Right gable end has 2 large stacks of C17/C18 brick in English bond, offsets with stone coping. C18 sashes and panelled/glazed door to rear.
Interior: large spine beams with stepped stops and large open fireplace to ground floor. C17 queen-post roof, some joiners numerals visible. C17 straight-flight baluster staircase. Some C17 plank doors in attic, and some C18 cupboards to all floors.

Pair of gatepiers and gates approx. 25m. NW of The Abbey
[Formerly listed under The Abbey with Stone entrance piers]
Warwick Road
(Listed Building Ref. 86 - Grade II) **[59b]**

List description : Gatepiers and gates. Early C19, in Jacobean style. Rendered brick with moulded bases, pilasters and capitals surmounted by moulded obelisks. Gatepiers are linked by a pair of C19 cast-iron gates. Included for group value.

Beech Hurst
Warwick Road
(Listed Building Ref. 87 - Grade II) **[17t]**

List description : House. Early/mid C19. Yellow brick in Flemish bond with stone plinth. Slate roof with brick end stacks. Central-staircase plan. 2-storey, 3-window range of 12-pane sashes with rusticated flat arches. 6-panelled door with panelled surround and fanlight within Doric porch with entablature. One-storey lean-to to left. C19 extension to right. Further 12-pane sashes to rear with canted bays to ground floor.
Interior: 6-panelled doors to ground floor. C19 stick baluster staircase.

Whitehall House and 9 Warwick Road
Whitehall Barn (9)
(Listed Building Ref. 88 - Grade II) **[61]**

List description : Farmhouse. Early C17. Timber framed on stone plinth, roughcast to front with plain-tile roof and limestone ridge and end stacks with diagonal brick flues. L-shaped plan with jettied first floor to right supported on moulded brackets. 2-storey, 3-window range of C19 three-light casements to main range with 4-light canted bays with modillion cornices to cross wing. C18 panelled door with open pediment to centre of main range. Moulded bargeboard to gable of cross wing. Timber framing visible on left gable end. Encased in brick and tiles to rear.
Interior: chamfered spine beams with arrow head stops. Open fireplaces. In crosswing an ovolo- and concave-moulded spine beam, and 4-centred stone fireplace with ovolo- and concave-moulded surround with ogee stops. Exterior timber framing visible and timber-framed partition walls throughout. Stone flagged floors. Barn attached to right, partly converted: 3 bays remain as outbuilding with brick front and C17 queen-post roof. Conversion to right has timber framing on stone plinth to front, with C20 casement and canted bay and rebuilt north gable end and rear walls in stone and brick. 2 of the 4 queen strut trusses remain.

1 Warwick Street
(Listed Building Ref. 76 - Grade II)
See under The Black Dog Public House, Market Hill.

Nos.2A and 3, and Bridge House and attached barn
Warwick Street
(Listed Building Ref. 89 - Grade II) **[62]**

List description : House, now 3 dwellings. Mid/late C18 with C19 alterations. Brick in Flemish garden wall bond, rendered to front, with dentilled eaves cornice. Plain-tile roof with brick ridge and lateral stacks. 3-unit plan. 2 storeys plus attic; 3-window range of C18 twelve-pane sashes to right, C19 two- and three-light casements to centre and C20 casements to left. Panelled/glazed door in right gable end, and C20 door to left. Two C20 dormers. Early C19 sashes with brick arches in right gable end. Early C19 yellow brick wall with C19 casements, and C20 two-storey extension to rear. Attached to left a C18 barn with C19 alterations. C18 brick in English garden wall bond to gable end, with C19 brick to front. C19 double plank doors to left.
Interior: Bridge House has C18 straight-flight staircase with slender balusters, moulded handrail and fluted newel. C18 winder staircase rises from first floor to attic. C18 queen-strut roof trusses visible. C18 plank ground floor. C18 six-panelled doors to ground and first floors. Barn said to retain original roof.
Included for group value.

Congregational Church
Wood Street
(Listed Building Ref. 90 - Grade II) **[63]**

List description : Chapel. Mid C19. Brick in Flemish garden wall bond, rendered to front. Slate roof with staggered dentilled eaves cornice to sides, and rendered parapet to front. Brick end stack. One storey of 2-storey height; 3-window range of Gothick one-light casements with Decorated-style iron tracery. Window above central door of 2 lights with iron tracery and blind cinquefoil to apex. Double plank doors with timber traceried head within a pointed arch. Windows and doors have rendered hood moulds and foliage labels. Tall windows with Gothick iron tracery run the height of building to sides.
Interior: polygonal-tiled aisle floors. C19 pews and organ, and timber altar with traceried panels, all in Gothick style. Raised altar rail with decorative iron balusters. Plaster cornice and decorative rosettes to ceiling.

Napton Road Farmhouse
Daventry Road
(Listed Building Ref. 53 - Grade II)
Outside Conservation Area

List description : Farmhouse. Mid C18. Brick in Flemish bond with plinth, storey band and moulded eaves cornice. C20-tile roof with brick ridge stacks. H-shaped plan. 2-storey, 3-window range of C20 bows to ground floor and C19 and C20 casements to first floor. One C19 sash. All windows are in their original openings and have brick flat arches. 4-panelled door to centre with plain overlight and flat hood. Brick pilaster surround. C20 one-storey brick extension to right.
Interior: chamfered spine beams with run-out stops. 2 open fireplaces with chamfered bressumers.

Lower Fields Farmhouse
Daventry Road
(Listed Building Ref. 52 - Grade II)
Outside Conservation Area

List description : Farmhouse. C18 with C17 origins. Squared coursed limestone with C20-tile roof and brick end stacks. L-shaped plan. 2-storey, 3-window range of C19 cross casements to ground floor and C19 two-light casements to first floor, the central window blocked. Ground floor windows have stone flat arches. Panelled/glazed door with stone flat arch and C19 gabled hood. C19 brick range to rear.
Interior: stop-chamfered spine beams and one open fireplace with chamfered bressumer.
