Stratford-on-Avon District Council is committed to helping people to live independently and in their own homes for as long as possible.

To support this our Independent Living Officer is able to provide:

Assessments – Holistic assessments to identify areas of vulnerability that can have adverse effect on a person's health or well-being.

Assistive Technologies – Aids and adaptations that can enable and prolong independent living.

Disabled Facility Grants - provide guidance and support to those with a disability who need to make reasonable, necessary and appropriate adaptations to their home.

Energy & Warmth – Energy saving tips and ideas on keeping your home warm for less. (to resolve your enquiry we may refer you to one of our partner agencies)

Training & Focus Groups – Opportunities to learn about assistive technologies and how they can promote independent living.
