NEIGHBOURHOOD DEVELOPMENT PLANS**

## About this booklet

On 2<sup>nd</sup> March 2023, there will be a referendum on a neighbourhood development plan (usually known as the Neighbourhood Plan) for your area. The Neighbourhood Plan has been produced by Long Itchington Parish Council as the 'Qualifying Body'. In this booklet you can find out about:

- The referendum and how you can take part;
- Where to find help in making your decision; and
- General information on Neighbourhood Plans and how they fit in to the 'Development Plan' for the whole of Stratford-on-Avon District

## Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question. For this referendum you will receive a ballot paper with this question:

**"Do you want Stratford-on-Avon District Council to use the Neighbourhood Plan for Long Itchington to help it decide planning applications in the neighbourhood area?"**

## How do I vote in the referendum?

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only **one** box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then Stratford-on-Avon District Council will use the Long Itchington Neighbourhood Development Plan to help it decide planning applications in the Neighbourhood Area of Long Itchington. The Neighbourhood Plan will then become part of the Development Plan for the District (see below).

If more people vote 'no' than 'yes', then planning applications will be decided without using the Neighbourhood Plan as part of the Development Plan for the local area.

## Can I vote?

You can vote in the referendum if:

- You are registered to vote in local council elections;
- The address at which you are registered to vote in a local council election, as shown in the register of electors, is in the Referendum Area (see map below) assuming that you are entitled to be registered at this address; and

You have to be registered to vote by Tuesday 14<sup>th</sup> February 2023 to vote in the referendum. You can check if you are registered to vote by calling on telephone number 01789 260208.

## **What is Neighbourhood Planning?**

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

Neighbourhood plans are prepared by Parish or Town Councils (or Neighbourhood Forums in locations where a Parish or Town Council does not exist) and are known as the 'Qualifying Body'.

The 'Qualifying Body' is responsible for preparing a Neighbourhood Plan and the Plan can show how the community wants land to be used and developed in its area. In this case the Qualifying Body is Long Itchington Parish Council.

## **What is a Neighbourhood area?**

A neighbourhood area can cover single streets or large urban or rural areas. The boundary of a neighbourhood area is put forward by the Qualifying Body when applying for the designation of a neighbourhood area. In this instance, the neighbourhood area is commensurate with the Parish boundary of Long Itchington.

## **What is a Development Plan?**

In England, planning applications are determined by Local Planning Authorities in accordance with the Development Plan. A Development Plan is a suite of documents that set out the policies for the development and use of land across the entire Local Authority area. In Stratford-on-Avon District, the Development Plan currently consists of the Core Strategy (adopted July 2016) and the Minerals and Waste Local Plans produced by Warwickshire County Council.

All Neighbourhood Plans that pass the referendum are then 'made' (adopted) by the District Council and they will then also become part of the District's Development Plan.

## **Neighbourhood Planning in Long Itchington**

The Referendum area is identified on the map below as the Parish area of Long Itchington and is identical to the area designated as the Long Itchington neighbourhood area.
