A message from Councillor Susan Juned

Leader, Stratford-on-Avon District Council

This booklet provides an update on the services provided by Stratford-on-Avon District Council, how they are funded and the vision that has been developed for positive change going forward.

The council tax goes towards the cost of a wide range of services, including functions such as waste and recycling collections, planning, licensing, business support, environmental health, preventing homelessness, providing leisure facilities, addressing climate change and much more.

Leisure services and a protected environment are highly valued by residents and improve health. Economic development is essential for a robust economy. The Council also works in partnership with many other organisations to ensure we can drive forwards positive change.

The Council is funded from three main sources: central government grants; the money that comes from council tax receipts and service charges; and a proportion of business rates.

The amount of financial support we get from the Government has reduced by 17% in the last five years. Inflation has increased costs over the same period. The challenge of ongoing single year financial settlements from Government makes planning difficult.

We are anticipating that the current reduced budgets for public services will continue in the next few years and have to prepare. It is our task to develop robust plans – not only in terms of financial resilience, but also in finding ways to reinvent, transform and improve the way local services are delivered to better serve our communities and to ensure that we remain in control of expenditure.

In May 2023, there was a change in the administration of the District Council. This has led to a new Council Plan being produced to determine the actions and targets for the delivery of services over four years.

We must develop our vision for the Council of the future and adapt to change, whilst continuing to protect priority frontline services, make council assets work harder and work with our excellent staff to deliver improved services.

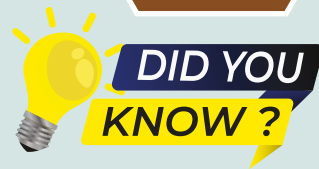

We also need to prepare for the future challenges such as those presented by a changing climate. The Council recently launched a Community Climate Change Fund to assist Town and Parish Councils and community groups deliver sustainability projects of benefit to their communities. This, plus other initiatives, will help protect our environment and our communities.

This year's budget was developed around a number of themes which included:

- Helping rural communities and vulnerable residents by maintaining the UBUS service and providing further investment to the Community Safety Team.
- Helping residents stay healthy and active by providing targeted support for people with long-term health conditions and encouraging sporting activity.
- Addressing the Cost-of-Living Crisis by providing grants for those most in need of support with energy bills and supporting vulnerable residents.
- Addressing Climate Change by reducing energy costs in leisure centres and other buildings and reducing harmful emissions.
- Preparing for the future with a Council Plan and Change Programme by improving the delivery of services, developing projects to stimulate growth in the local economy, delivering better affordable homes and providing support for the voluntary sector.

Stratford-on-Avon District is a beautiful place to live and work and it has a thriving and diverse economy. We will continue to work with our partners and communities to ensure that this is protected.

Some services in numbers

Stratford-on-Avon District Council has the fifth best recycling rate in the whole country, with a figure of 60% in 2022-23. Thanks to all residents for making this happen.

VISION STATEMENT

We are an ambitious, fair, inclusive, and responsible organisation which will put our communities at the heart of everything we do.

The Council will be recognised as a leader for supporting the health and wellbeing of our residents, protecting our environment, delivering sustainability and innovation.

By proactively working with our partners the Council will strive to deliver cohesive communities that are well built, in the right place and served by appropriate infrastructure.

The Council will support existing business to thrive and seek to attract new businesses to create valued jobs and opportunities.

In developing this plan we have set ourselves realistic aims and objectives within six areas of focus.

OUR AIMS AND AREAS OF FOCUS

KEY		
AREAS OF FOCUS		
Residents and Communities		Health and Wellbeing
Delivery of Service		Affordable, Well Built and Maintained Homes
Climate Change		Local Economy

WE WILL LIVE BY

Be a transparent Council, fostering the levels of trust and understanding of responsibilities between the Council and the Public						
Making the best decisions in the public interest						
Holding ourselves and others providing public services to account more effectively for the benefit of the communities served						

WE WILL DELIVER

To improve access to Council services to those throughout the District						
To improve the effectiveness of the Council through innovation, engaging with our peers to improve service delivery						
To support the quality of our service by being a local employer of choice						
Increase and protect green spaces which positively affect nature recovery						
Be a Local Authority leader in the reduction of our own carbon footprint						
Build the relationship and proactively foster partnership working with others to influence areas where the Council cannot deliver success alone						
Support those most in need from inequality						
Make the most of Stratford District's rich cultural heritage as a national and international tourist destination						

WE WILL INFLUENCE

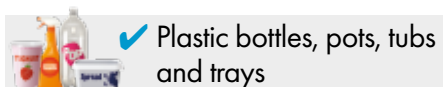

To improve the range and quality of social infrastructure e.g. town centres, health and social care, education, housing and transport within the District					
To reduce crime and anti-social behaviour through the Community Safety Partnership					
To enable those living and working in the district to live more environmentally sustainable lifestyles					
Facilitate more opportunities for residents to use alternative modes of transport					
Ensure that development is meeting local needs, attractive, environmentally sustainable and fit for purpose					
To increase the levels of valued employment and training					
To support Parish Councils for the benefit of communities					
To support opportunities for our residents to develop skills for the future

Elections Matter

The elections taking place in Stratford-on-Avon District this year include the Police and Crime Commissioner for Warwickshire on Thursday 2 May 2024.

You now need photo ID to vote at a polling station

Voting on 2 May

To be able to vote you must show a form of photo ID at the polling station such as your passport, driving licence, blue badge and certain bus passes. If you do not have any photo ID you can apply for a Voter Authority Certificate.

Police and Crime Commissioners (PCCs) are elected representatives who oversee how crime is tackled in a police force area. Their aim is to cut crime and to ensure the police force is effective.

If you have not received a poll card by 8 April contact the District Council to check if you are registered. Go to www.stratford.gov.uk/elections or call 01789 260208.

Electoral Registration

Everyone is responsible for their own registration. If you are not on the electoral register you will not be able to vote and may not be able to get credit either. If you are already on the electoral register you do not have to re-register.

In order to vote this year you need to be registered by 16 April and can do this by going to www.gov.uk/register-to-vote

Going away?

If you are not going to be able to get to the polling station on 2 May you can have a postal vote or proxy vote (where someone votes on your behalf). Applications for a Postal Vote close at 5pm on 17 April and Applications for a Proxy Vote close at 5pm on 24 April. You must be on the electoral register to have a valid postal or proxy vote.

To apply for a Postal Vote please visit www.gov.uk/apply-postal-vote

To apply for a Proxy Vote please visit www.gov.uk/apply-proxy-vote

To apply for a Voter Authority Certificate please visit: www.gov.uk/apply-for-photo-id-voter-authority-certificate

You can check accepted forms of Identification by visiting: www.gov.uk/how-to-vote/photo-id-youll-need

Important information regarding postal vote handling

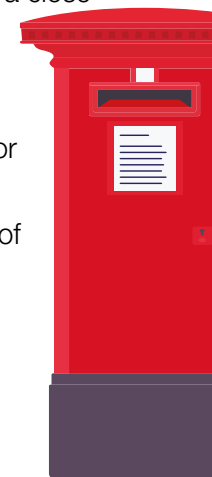

New provisions from the Elections Act 2022 relating to handling postal votes are due to take effect in time for the 2 May Election. Political Campaigners will no longer be able to handle postal votes, except where the postal vote is their own or a close family member or someone they provide care for. Postal workers or those that handle postal votes as part of their duties are also exempt.

If you choose to hand in postal votes at the Council building or Polling Station, you will be limited to handing in no more than five postal votes for other electors, plus your own for each election.

If handing in postal votes you will now be required to complete a 'return of postal voting documents' form and declaration.

These rules apply to all postal votes not posted through Royal Mail.

Our best advice is to post postal votes through Royal Mail as soon as possible. Please do not use unstaffed letterboxes at the Council building as we will have to reject these in compliance with the new Legislation.

YOUR VOTE MATTERS

Priority: Our Environment Addressing Climate Change

In 2019 Stratford-on-Avon District Council declared a climate emergency. Since then, Your Council has implemented a number of projects to achieve its goal of becoming carbon neutral by 2025.

South Warwickshire Climate Champions

This programme encourages individuals, groups, and business across South Warwickshire to share their environmentally friendly stories.

Our current ones include:

- Alcester and Stratford-upon-Avon Repair Café
- ECO for ALL
- GREAT Community Environmental Action Group
- Harbury Energy Initiative

The smallest change can make the biggest difference when it comes to climate change. These stories help others get involved and find out how they can do their part as individuals to reduce their carbon footprint.

Community Climate Change Fund

The new Community Climate Change Fund allows Your Council to formally invest in initiatives proposed by either community groups and charities or Town and Parish Councils to enhance local climate change agendas.

£100,000 is to be awarded across two phases - the first phase opened for expressions of interest for £50,000 in January 2024.

Cllr Susan Juned, Leader of Stratford-on-Avon District Council said:

“I’m thrilled that with this funding we can support local projects seeking to address the climate emergency across Stratford-on-Avon District. We know that many community groups in the District are already leading the way on climate action, and we want to support this important work through our Community Climate Change Fund.”

Climate Change Panel

The Panel was set up by Your Council to act as an advisory group, designed to drive positive and constructive actions to support the climate change agenda across the District.

Members of the public are welcome to attend the meetings, and the next Public Participation Panel will take place on the 23 April 2024.

Please send your questions to climate.emergency@stratford-dc.gov.uk by the 9 April 2024.

Free Trees for farmers

The scheme offered trees to landowners and farmers in a bid to encourage more tree planting to help renew and restore existing woodland and vegetation, as well as replacing trees which have been affected by diseases. Various tree packs were available, which allowed farmers to find the perfect species mix for their land, including hedgerow packs, fruit tree packs, and woodland packs. Farmers were able to apply for anything from a single tree pack up to hundreds of trees.

Around 8,000 trees were distributed from Tubbs End Farm, Butlers Marston to 38 farmers from across the District.

Stratford-upon-Avon Nature Reserve

In 2020, Your Council working with Stratford-upon-Avon Town Trust secured a grant for £1.5m from the Coventry and Warwickshire Local Enterprise Partnership via the Government's Getting Building Fund to improve the area known locally as Warwick Road Lands and The Lench Meadows, on the edge of Stratford-upon-Avon.

The enhancement works undertaken with this funding, as part of the Stratford Riverside Project to create a green corridor between Fisherman's Car Park and Lucy's Mill Bridge, has resulted in an overall increase in biodiversity and an Ecological Management Plan (EMP) spanning 30 years. In October 2023, the northern area was declared a Local Nature Reserve following consultation with Natural England.

Your council tax explained

Your council tax is a local property tax that is charged in order to supplement Government funding of the local services provided by public authorities. It applies to properties used by people as their homes. The amount of council tax you pay is dependent upon which band your property is in. In addition, town and parish councils are able to levy their own charge or precept. The amount of the precept varies between each town or parish council. The amount of the relevant precept for your town or parish is added to your council tax.

Concessionary Parking Permits available for residents of State Pension age 66 and over

Permits cost £50 per year and can be used at anytime of the week at Bridgeway Multi-Storey Car Park and Bridgeway Surface Car Park, Stratford-upon-Avon, with a maximum stay of 4 hours (in any 24-hour period)

Permits are available online at: www.stratford.gov.uk/concessionary-parking-permit or at the District Council Offices in Stratford-upon-Avon

You will need to provide the following documents:

- V5C vehicle registration certificate (log book)
- Driving licence
- Valid insurance document confirming your address and vehicle registration number

One hour's free parking is still available at Bridgeway Multi-Storey Car Park and Bridgeway Surface Car Park for all residents and visitors.

Disabled parking for Blue Badge holders remains free of charge in all District Council car parks.
