

| Reference    | Site Address   | Description   | Date of Decision |
|--------------|--|---|------------------|
| 20/00109/DDT | Willow Vale<br>Church Lane<br>Welford-on-Avon<br>Stratford-upon-Avon<br>CV37 8EL | -T1 plum - Fell ( Dead/diseased).   | 17-Jan-20        |
| 20/00153/DDT | Ashorne Hill Management<br>College<br>Ashorne Hill<br>Leamington Spa<br>CV33 9QW | 2no. Turkey oak - Take down windblown/partially failed trees. (Subject to replacement planting of English oak). | 17-Jan-20        |
| 20/00155/DDT | Ratley House<br>Ratley<br>Banbury<br>OX15 6DS                                    | -T1 birch: Fell. (Tree partly windblown. Replacement tree required).  | 17-Jan-20        |
| 20/00241/DDT | Dawn Edge<br>Church Road<br>Snitterfield<br>Stratford-upon-Avon<br>CV37 0LF      | -T1 walnut - Fell remaining stem of failed, twin-stemmed tree. (Replacement planting required).                 | 28-Jan-20        |
| 20/00293/DDT | Windrush House<br>Dorsington<br>Stratford-upon-Avon<br>CV37 8AX                  | -T1 Judas - Prune off propped, subsiding leaning stems, retaining upright reduced stem.                         | 04-Feb-20        |
| 20/00382/DDT | Land Adjacent The Bakery<br>House<br>Bakehouse Lane<br>Shotteswell               | -T1 unspecified species, windblown - clear fallen tree.   | 10-Feb-20        |

|              |  |   |           |
|--------------|--|---|-----------|
| 20/00383/DDT | Alveston House<br>Mill Lane<br>Alveston<br>Stratford-upon-Avon<br>CV37 7QL | -T1 beech - Remove weighted crown to roadside. (Following failure of adjacent hornbeam at base (windblown)).  | 10-Feb-20 |
| 20/00387/DDT | Ladbroke Hall<br>Ladbroke<br>Southam<br>CV47 2DF                           | -T1 lime - Fell previously failed tree or tidy and retain the remaining stem for habitat value. (Tree further failed, prior to remedial works being undertaken. If felling option chosen, replacement planting required). | 10-Feb-20 |
| 20/00398/DDT | Bishops Farm<br>Old School Lane<br>Lighthorne<br>Warwick<br>CV35 0AU       | -T1 cypress - Fell. (Storm damaged, partly failed stem).  | 11-Feb-20 |
| 20/00411/DDT | Stockton House<br>Rugby Road<br>Stockton<br>Southam<br>CV47 8LB            | -T1 pine: fell. (Failure of rootplate. Replacement planting required).-T2 elm: Fell. (Dead. No replacement planting required).  | 12-Feb-20 |
| 20/00426/DDT | The Old Rectory<br>Lighthorne<br>Warwick<br>CV35 0AS                       | -T1 horse chestnut: fell. (Tree considered hazardous, as structurally compromised. Replacement planting required).  | 13-Feb-20 |

|              |  |   |           |
|--------------|--|---|-----------|
| 20/00432/DDT | The Old Vicarage<br>Church Road<br>Snitterfield<br>Stratford-upon-Avon<br>CV37 0LN | -T1 lime: Reduce height by approximately 5-6metres, pruning back to suitable branch junctions. Reduce low extended laterals to the south east where overhanging the highway by approximately 4metres, pruning to suitable growth points. Reduce the remaining laterals by approximately 2metres to balance the crown. Remove at source, the large, upright secondary growth on the smaller north-eastern stem and remove small, secondary watershoots throughout the crown. Remove deadwood. (Arboricultural work required to reduce the likelihood of windthrow, following root severance/damage).-T2 yew: Reduce height by approximately 2-3metres, pruning back to suitable branch junctions. Reduce the extended, splayed branches over the highway by approximately 1metre to balance. Re-cut/prune previous poor pruning and old stubs. Remove deadwood. (Arboricultural work required to reduce the likelihood of windthrow, following root severance/damage). | 14-Feb-20 |
| 20/00441/DDT | Alveston House<br>Mill Lane<br>Alveston<br>Stratford-upon-Avon<br>CV37 7QL         | -T1 beech: Fell. (Rootplate failing following failure of adjacent hornbeam and evidence of root and basal decaying fungal pathogen. Replacement planting required).-T2 hornbeam (small): Fell. (Heavily decayed base. Replacement planting required).   | 14-Feb-20 |
| 20/00449/DDT | Stockton House<br>Rugby Road<br>Stockton<br>Southam<br>CV47 8LB                    | -T1larch: Fell. (Windblown. Partial root failure-replacement planting required).  | 14-Feb-20 |
| 20/00485/DDT | Oakdene<br>Holly Bush Lane<br>Priors Marston<br>Southam<br>CV47 7RW                | -T1 willow - Fell (Dead. Replacement planting of an appropriate species required).  | 19-Feb-20 |

|              |   |  |           |
|--------------|---|--|-----------|
| 20/00568/DDT | Alveston House<br>Mill Lane<br>Alveston<br>Stratford-upon-Avon<br>CV37 7QL  | -T1 hornbeam - Fell. (Heavily decayed at base. Replacement planting required).                                   | 26-Feb-20 |
| 20/00572/DDT | The Rectory<br>19 Butter Street<br>Alcester<br>B49 5AL                      | -T1 Scots pine - Fell (Storm damaged and insufficient crown left to retain. Replacement planting required).      | 26-Feb-20 |
| 20/00596/DDT | The Old Barn<br>Cottage Lane<br>Shottery<br>Stratford-upon-Avon<br>CV37 9HH | -T1 willow - Fell. (Heavily decayed and partly failed. No replacement required, given the location of the tree). | 28-Feb-20 |
| 20/00678/DDT | Dinsdale Cottage<br>Baldwins Lane<br>Upper Tysoe<br>Warwick<br>CV35 0TX     | -T1 crab apple - Fell (Partly failed. Storm damaged. Replacement planting required).                             | 05-Mar-20 |
| 20/00695/DDT | Holly Hock Cottage<br>The Green<br>Tanworth-in-Arden<br>Solihull<br>B94 5AJ | -T1 cypress - Fell. (Tree storm damaged and partly failed).  | 09-Mar-20 |
| 20/00698/DDT | Juxta Pacem<br>Temple End<br>Harbury<br>Leamington Spa<br>CV33 9NE          | -T1 Laburnum - Heavily reduce tree, which has partly failed at the rootplate.                                    | 09-Mar-20 |

|              |  |  |           |
|--------------|--|--|-----------|
